Waterproof Steel Toe

95553 Steel Toe
Brown Full-Grain with Ever-Guard Leather
7-12,13,14,15M/W

Features:

- Waterproof Full-grain leather with waterproof membrane
- Goodyear Welt Cast-Bond™ construction for a durable mechanical and chemical bond
- Ever-Guard vamp leather and foxing
- TiTAN® shaped steel toe for a roomy fit
- Steel shank
- Unique "finger-grip" pull-on feature for ease of entry
- Anti-Fatigue Technology with conical midsole geometry, featuring polyurethane material
- Mesh lining with Agion® antimicrobial treatment
- Constructed on a TiTAN® last

Other Information:

- Weight (7M 1/2 pair) 2.14lbs/974g
- Meets ASTM impact and compression safety to standards, ANSI and ASTM Standards for protection from open circuits; see current code standards on label of footwear or Timberland PRO catalog
- Consumer Target: Rigmaster outsole has been engineered specifically to provide workers in the oil and gas industries with exceptional slip resistance this polyurethane outsole has triangular shaped lugs in a multi-directional pattern for a mechanical grip.

Key Feature: Rigmaster

Single-Density Polyurethane Outsole:

- Lightweight, yet rugged with exceptional cushioning
- Aggressive tread design, featuring triangular lock lugs that provide maximum traction
- Oil resistant
- Abrasion resistant
- Features Ladder Lock outsole radius

Contoured Single-Density Open-Cell Polyurethane Footbed:

- Resilient-recovers for the next footstrike
- Lightweight
- Anatomically contoured design cradles foot and provides added support
- Moisture wicking and air permeable
