

Cut Protection

VP230

Lightweight work glove, machine-knitted and polyurethane-coated, offering cut level E/A4 with the added convenience of an integral elasticated wrist.

FEATURES

- Feather-light construction ensures an outstanding tacky grip in both dry and light oil conditions.
- The non-shred polymer coating and lint-free continuous filament yarn blend work seamlessly to prevent contamination.
- A perfect synergy of a lightweight liner and PU coating provides excellent abrasion, cut, and tear resistance. This combination also guarantees exceptional comfort, reducing hand fatigue to a minimum.

CERTIFICATIONS

- CE Category ii Certificate
- EN 420:2003+A:2009
- EN 388:2016 (4x42E)
- EN 407:2004 (X1XXXX)
- ASTM F2992-15 (ANSI A5)

CONSTRUCTION

Guage	15gg
Liner	HPPE, Steel, glass, nylon, polyester & spandex
Liner Color	Black & white
Coating	Polyurethane palm coat
Coating Color	Black

HAZARDS

- Abrasion
- Cut
