

PRODUCT NUMBER: K711

Eagle Grip - K711

Handling of dry and slippery parts.

Honeywell

Overview

Reference Number

K711

Product Type

Gloves

Range

General purpose

Line

Light & medium handling

Brand

Honeywell

Brand formerly known as

NORTH

Industry

- Automotive and Part Manufacturer
- Building and Construction
- General Industry
- Logistics
- Maintenance
- Transportation

Product Use

Handling of dry and slippery parts.

Features & Benefits

Feature

Grey polyamide lightweight knitted glove PVC dots on Palm Elastic cuff, 6cm

Benefit

COMFORT The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity. The glove offers maximum comfort and added sturdiness. Non pilling, the polyamide fabric is suitable for the agrifood industry as well as for precision work. The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. **RESISTANCE** The PVC dots ensure greater abrasion resistance and a better grip. Hygiene Its black colour makes it more soilproof, thus ensuring a longer last.

Technical Description

Description

Grey polyamide lightweight knitted glove PVC dots on Palm Elastic cuff, 6cm

Product Technology

Knitted

Gauge

13

Glove/liner color

Grey

Coating Type

PVC dots

Length

25 cm

Harmlessness

In conformity with the European standards.

Dexterity

Class 5

Sizes

7S, 8M, 9L, 10XL

EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	2
Cutting resistance (Coupe test)	1
Tear resistance	4
Puncture resistance	X
Cutting resistance (TDM test)	X
