

Chemical Protection

VC110

Lightweight, fully coated with multiple-dips of NBR, machine-knitted Level B cut resistant gauntlet with flared cuff. Combines liquid proof chemical resistance with anti-slip coating for superior functionality while maintaining fit, feel and comfort.

FEATURES

- Product is designed and developed to provide protection against chemicals.
- Multiple layers coating makes the product fully waterproof with exceptional chemical resistance performance.
- Ultrafine micro porous coating finish for superior grip performance in dry, wet and oil conditions
- Level B cut resistant yarn composition.

CERTIFICATIONS

- CE Category II Certificate
