Simple Tools With Unique Designs

## Suit Up Faster With the Glove Rings® Accessory!

### Glove Rings® Accessory

“Suit-Up” time is generally found to be one of the most time consuming activities in Hazmat services according to most professionals in the field.

Reduce suit up time while increasing wrist and hand mobility with the Glove Rings® accessory! Made from a strong, flexible plastic they provide a firm surface for taping that makes a better and more consistent seal.

#### Perfect For:

- Hydro-Blasting
- Industrial Cleaning
- Hazmat
- Asbestos Abatement
- Sandblasting
- *and much more!*
