BradyPrinter i3300 INDUSTRIAL LABEL PRINTER

No waste. More labels. Less effort.

Picture your ideal label printing scenario – the labels and ribbons snap into place, there's no calibration process, you don't have to throw away blank labels before you actually print one. Ideal is now real with the BradyPrinter i3300 Industrial Label Printer. This mid-volume industrial label printer makes your identification projects easy, fast and affordable. Enjoy a variety of time- and money-saving advantages, including:

- **No waste printing:** With print smart technology, you get auto setup and calibration without throwing out blank labels
- **Fast material changeovers:** Foolproof drop-in label rolls and ribbons snap into place for 20-second material changeovers
- **Full-facility identification:** Complete all of your identification tasks, from wires, panels and products to safety and facility labels, with one convenient and efficient tool

Print on the first label or sleeve — even on the smallest labels

Ribbon and label roll installation **Labels:** Supplied in cartridge, drops into place, 15-second changeover
Ribbon: Supplied in cartridge, snaps into place, 5-second changeover

Warranty 5 years

** Performance at minimum label dimension is dependent on label text and size of print run; Users should test suitability for their application.

U.S. Patent No. 5,823,689; 6,570,602.
Additional patents pending.

Brady Workstation Product and Wire ID Suite

Brady Workstation has revolutionized how you design and print labels from your PC. When paired with the high-performance printing capabilities of a Brady printer, you get intuitive label set up for simple, efficient and flexible label creation.

This suite features:

- A collection of applications for creating product labels, wire and cable markers, panel labels and more
- The ability to serialize and import your data onto the labels
- Specialty label design apps for asset tags, terminal block and patch panel labels
- Real-time information about the label material installed, enabling easy label set up
- Apps feature built-in regulations, standards, pictograms, common phrases, data importation guidance, help functions and more
