

Multi Purpose

Light Duty

These nitrile foam gloves offer an improved design that delivers up to 30% more breathability. For all day, every day comfort.

- Ansell's best-selling HyFlex® 11-801 glove, the original nitrile foam glove, is better than ever
- A highly versatile solution for precision assembly, general handling, and automotive applications, this glove provides the perfect balance between comfort, dexterity and protection
- Advanced Knitting Technology allows increased stretch and flexibility in high-stress areas: the hand operates more freely, improving comfort and reducing hand fatigue

Industries

- Lock smith

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-801

Improved design delivers enhanced comfort in a dirt masking color

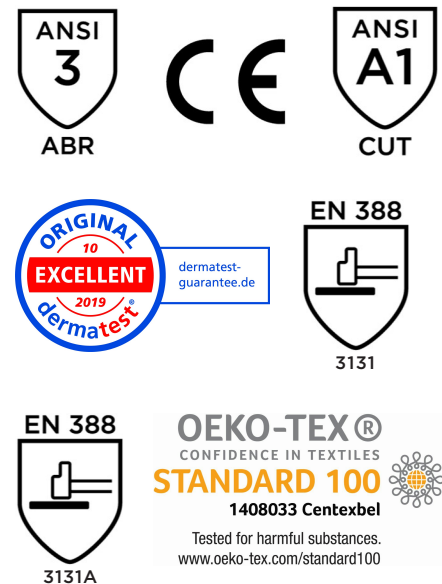

Key Features

- Darker liner is well-suited for slightly oily or dirty environments helping to improve wear life
- Our legendary first-to-market foam coating provides more breathability that extends workers' comfort
- Benefits from proprietary washing process that efficiently extracts impurities to deliver a cleaner, more comfortable glove. Independently certified as skin friendly by the Oeko-Tex® testing & certification system
- No transfer of silicone contaminants to metal parts prior to painting

Technologies

Performance Standards & Regulatory Compliance

REACH Compliant
