

ROPE RESCUE TRUCK CACHE™ KIT – MPD

MPD™ RIGGING KIT - with 2 MPDs and 4 Swivel Pulleys

When setting up systems, this well-organized kit provides efficient access to all the rigging hardware needed to set up a main line and belay. The case can be laid on the ground or suspended from the side of a vehicle with integrated gutter hooks, yet when closed, fits easily into a vehicle cabinet or behind the seat.

The MPD Rigging Kit Contains the following items:

Truck Cache Bag #440541	Edge Pad - XL (1) #294019
Ultra-Pro 4 Edge Protector #294044	Sewn-Loop Prusiks, Short (2) #293083
FastLink Anchor Strap - M (2) #201063	ProSeries Manual-Lock Carabiners (5) #300262
Anchor Strap Sleeve - M (2) #294033	PMP Single Swivel Pulleys (3) #300430
MPD - 13mm (2) #333000	1 in Web - 40 ft (2) x 20 ft #200103
Swivel Double Pulley #300432
