

Rope Clamps

FIXE P05W - P05WN Versatile compact pulley

Ø : 7 → 13mm

- Lightweight, compact pulley
- Designed for hauling systems and deviations
- Fixed side plates allow quick installation and coupling with a rope clamp
- 21mm sheave mounted on self-lubricating bushing for efficiency
- For rope diameter between 7-13mm
- Efficiency: 71%
- Working load: 5kN (2.5kN on one rope end)
- Breaking strength: 23kN
- Available in two colors:
 - yellow: P05W
 - black: P05WN
- Weight: 90g
- Certification: CE EN 12278
